EXPERIENCE

RRC Polytechnic - Educational Assistant

Winnipeg, MB | Aug 2024 - Dec 2024

As an Educational Assistant for the creative arts department, my role was to provide technical support for students, assists instructors, and be a helping hand in the equipment room.

- Supporting and guiding students, to overcome any obstacles in achieving learning outcomes
- Holding equipment room hours, as well as organizing and preparing equipment for students and instructors

Site12 - Art Director

Winnipeg, MB | Aug 2024 - Dec 2024

I lead the art direction for various projects at Site12, an independent game development team. My responsibilities as art director include:

- Designing and implementing user interfaces
- Creating animations, character designs, and level designs.
- Overseeing the overall aesthetics, atmosphere, and environment to ensure a positive player experience.

Winnipeg Police Museum - Video Specialist

Winnipeg, MB | Aug 2024 - Dec 2024

During my role I worked closely with the museum curator and video team of the police headquarters to create a series of videos to promote children's safety

- Improve operations and streamline processes
- Overseeing customer projects and ensuring timely delivery
- Supported advanced production by collaborating with cross-functional teams.
